Thank you for joining the North American Rider's Group. The purpose of the NARG is to improve the quality of competitive equestrian events. With your participation, the NARG will be recognized as the clear strong voice of the North American riders and the supporting personnel directly involved with show jumping.

The mission of the North American Rider's Group is to effectively represent the varied interests of active riders and all associated trainers, coaches, horse owners, corporate sponsors and others involved with show jumping.

We hope you will consider making an additional contribution to help us get the organization underway. Membership fees cover a calendar year and are non refundable.

I acknowledge that I am in good standing with the National Federation that governs show jumping in my country.
